I am dancing, I am jumping,  
now it's raining, raining hard.  
Oh my jacket, oh my trousers  
I'm so wet I must go back.  
(Who cares!)

I am dancing, I am jumping,  
now it's raining, raining hard.  
Oh my jacket, oh my trousers,  
I'm so wet, I must go back  
Where have you been? What have you done?  
Open your mouth! Stick out your tongue!  
You have a cold, may be the flue.  
Oh no, dear me! What can we do?!

(Injection!)

I am dancing, I am jumping  
now it's raining, raining hard.  
Oh my jacket, oh my trousers,  
I'm so wet, I must go back.  
(Who cares!)

Now it's raining, raining hard.  
Oh my jacket, oh my trousers
